

3<sup>rd</sup> September 2012

**Via Email:**

Dear David,

**RE: STORMWATER HYDRAULIC CERTIFICATE –** [Address]  
**PROJECT NUMBER: 090902**

We wish to certify that we have inspected the stormwater system and reviewed the works as executed drawings [Address] Ltd, Ref No. 13/06/2012 and [Address] dated 13/08/2012 and found the system to be in general accordance with the stormwater hydraulic drawings prepared by us, drawing numbers D01 – D06 revision B.

The design and construction of the stormwater system including the car park drainage, as detailed in the above drawings, is in general accordance with City of Ryde, Development Control Plan 2006: - Part 8.2; Stormwater Management.

Please do not hesitate to contact the undersigned should you have any questions in regards to the above.

Yours Faithfully
