

DEVELOPMENT APPLICATION FORM (DA)

Made under the Environmental Planning and Assessment Act 1979 (Section 4.12)

About this form

Use this form to apply for approval to carry out development of a property in the City of Ryde. This is a public record and will be made available on our website. This form is required so that Council can assess the likely impacts and ensure that the DA:

- Is permissible and is an appropriate use of the site according to its zoning
- Complies with the *Environmental Planning and Assessment Act 1979*
- Complies with the *City of Ryde Development Control Plan (DCP) 2014* and the *Local Environment Plan (LEP) 2014* and any other relevant planning controls
- Has no detrimental environmental impacts
- Has no adverse impact upon adjacent and neighbouring properties.

Disclaimer: The information provided by you on this form will be used by City of Ryde or its agents to process this application. Once collected by Council, the information can be accessed by you in accordance with the *City of Ryde Privacy Management Plan 2014* or in special circumstances, where Commonwealth legislation requires or where you give permission for third party access.

How to lodge this form

This form is in eight parts. Please ensure all fields have been filled out otherwise the City may be unable to process your application. Once completed, this form must be included with your application and submitted through the NSW Planning Portal.

Essential information: Before you begin, ensure you read the Development Application Info Package at www.ryde.nsw.gov.au/dapackage. Factsheets and FAQ's are available online at www.ryde.nsw.gov.au/da. You can also discuss your proposal before lodging your DA by making an appointment online at www.ryde.nsw.gov.au/bdas or by contacting Customer Service on 9952 8222.

PART 5 : ESTIMATING COST OF WORKS FOR DEVELOPMENT

The estimated cost of work must be based on industry recognised prices, including cost for materials and all labour for construction and / or demolition and GST. Various commercial entities publish building and construction cost guides / calculators, which provides technical guidance on estimating costs and methods of measurement. A copy of the Cordell's Housing Building Cost Guide is available to assist at Top Ryde Library.

This is not the cost of an owner builder undertaking the works.

Council will check the estimated cost provided on the application form. If the estimate is understated, the figure will need to be adjusted. Additional application fees may apply.

Different lodgement requirements apply dependent on the estimated cost of works as follows:

5.a) Is the estimated cost of work:

Between \$0 and \$500,000 (Council will accept a cost estimate by the applicant or a suitably qualified person*).

Between \$500,000 and \$1 million (a cost estimate must be prepared by a suitably qualified person including their methodology).

Over \$1 million (a detailed cost report must be prepared by a registered quantity surveyor).

5.b) Estimated total cost of work

Including labour and materials, or contract price	\$	Including GST
---------------------------------------------------	----	---------------

* A suitably qualified person is: a builder who is licensed to undertake the proposed works, a registered architect, a qualified and accredited building designer, a registered quantity surveyor or a person who is licensed and has the relevant qualifications and proven experience in costing development works at least to a similar scale and type as is proposed.

Use either of the two options below or over the page to estimate the cost of the proposal:

Adapted from assessment sheets provided in Circular PS13-002: Calculating the genuine estimated cost of development, published by the NSW Department of Planning, Industry and Environment.

OPTION 1 : ESTIMATED COST OF WORKS – BASED ON WORKS COMPONENTS COSTS
